

# TEXT 2 PAY

## HAVE YOU TRIED TEXT 2 PAY?

Are you tired of late charges, writing checks, or logging into your SmartPortal just to pay your invoice from The PLD Group? If so, we have a simple solution for you: Text 2 Pay! This convenient feature allows you to pay your invoice quickly and easily, it's as easy as 1-2-3!

With Text 2 Pay, managing your invoice payments has never been simpler! No more late fees or cumbersome payment processes - just straightforward payments at your fingertips. Join the growing number of customers who are enjoying the convenience of paying their invoices via text message.

As soon as you experience how easy it is to pay your invoices using Text 2 Pay, consider extending this service to your patients through our SmartPay service. This will allow them to conveniently pay their medical bills via text message as well, streamlining their payment experience and improving cash flow for your practice.

## Why Choose Text 2 Pay?

Text 2 Pay offers a hassle-free way to manage payments specifically for the invoices you receive from The PLD Group for our services. By opting in, you can avoid the stress of missed payments and ensure that your invoice is paid on time.

### Here's how it works:

1. Log in to the Payment Portal: Visit <https://invoices.thepldgroupinc.com> and register if you haven't already. It takes less than 60 seconds!
2. Set Up Your Profile: Once registered, go to your profile and add your cell phone number. Make sure to approve receiving text messages from us.
3. Add a Payment Method: Set up your preferred payment method, either a credit card or checking account.

Once you're set up, we will send you a text notification when your invoice is ready for viewing. Simply reply with "P" to pay, and your invoice will be automatically processed using the payment method you've set up in your profile.

Don't wait any longer! Call The PLD Group at (760) 343-0700 and sign up for Text 2 Pay today. Experience the ease of hassle-free billing and enjoy the convenience of managing your payments directly from your mobile device.
